

iOS Application Documentation

1) Splash Screen

2) Log in Screen

If users are opening the app for first time/ after signing out, they will see the Log in screen first, asking them to sign up using their Facebook, Google account or Sign up.

The image shows a mobile app login screen for 'A1 Pani-Puri'. The screen has a white background and a dark status bar at the top showing 'Carrier', '1:20 PM', and '100%' battery. The app name 'A1 Pani-Puri' is displayed in a light blue rounded rectangle. Below it are two input fields for 'Username' and 'Password', each with a grey placeholder bar. There are two buttons: 'Sign in' and 'Sign up', both in rounded rectangles. At the bottom, there are two circular icons: a blue one with a white 'F' for 'Facebook Login' and a red one with a white 'G' for 'Gmail Login'.
